"THE R.D. CAMP — A PHOBIA TO A MANIA!!"

S. VIJAY BABU

II B Sc (Mathematics)

Life is dull, without thrill and adventure. The College provides a Part V Subject for this purpose. I joined N.C.C. to know that excitement. Now I have got a great feedback. It provokes an alround development in a person. This organization paved way for a great event in my life. In 25 years of N.C.C. in our college, I'm the first person to go to Delhi for Republic Day Camp (R.D.C.-'97). I was the only boy from our battalion (5(TN)NCC) at Tirunelveli.

The Selection started by June '96 itself. I was unaware of it, since no seniors have gone for it. When four of us from college turned up we received negative comments that the camp was tough, tiring and unsuitable. But our commanding officer was an inspiration for us. During the first camp I fell with with 103°F temperature. Though I had done well I had all sorts of depressed thoughts. But I got selected and proceeded further upto Trichy Camp. I really had a difficult phase there. After clearing the hurdle, the next stage was to 'frame the T.N contingent' at Madras. Cadets from other groups like Trichy, Coimbatore, Pondicherry, Madras A & B took part. The contingent comprised of 104 Cadets lead by contingent Commander, Major. S.R.B. Nair and trained by Chief Training Officer Colonel K Venugopalan Commander of Madurai Group.

During the training tenure lot of Physical exertion was required. We had our Drill with arms. I still fear that rifle about Six Kg. weight. Apart from strenuous trainings in daytime, we also had sleepless nights, practising for cultural competitions. All such efforts were needed to win the P.M's banner at R.D.C.-Delhi. Competitions like Drill, Singing, Dancing, Running, Yatching, Aeromodelling, Ship-modeling etc were held Tamil Nadu

was able to come only as Runners-up. Can you imagine 16 Directorates competing in that prestigious event R.D.C -'97, It was really nice to be like a family for nearly two months. We had golden chances of visiting V.I.P's like the chiefs of Army, Navy and Airforce Staffs and even the Rashtrapathi Bhawan. We had a trip to Agra to observe that Marble-wonder-Taj. Our eyes did not miss the Red-Fort, Lotus Temple, Birla Mandir, Qutib Minar, Indira Memorial, Teen-Murti Bhawan etc.

The special feature of R.D.C -'97 was, that I marched in the National contingent of N.C.C. at the Rajpath on 26th Jan 97 before our President Dr. S. D Sharma I also proudly saluted our P.M. Mr. H. D. Deve Gowda in the P.M. Rally on 27th Jan. '97. I was in my ecstasy when I saw my parents who came for witnessing the R.D. Parade at Delhi. They had come to see how I completed that 7 Kms long Rajpath. One can be surprised of that figure (7). But can you imagine we had five days practice at the very same Rajpath which totals to 36 Kms. of March. Isn't it an exciting sorrow?!!

I was really lucky to see all our Defence equipments like Arjun tankers, Prithvi missiles, Chetak helicopters, MIG-27, MIG-29 planes etc. The N.C.C. Cadets who are choosing Army as career were asked to attend an Aptitude Exam at Delhi. Those selected, were interviewed by Psychologists. I was one among them. At the end we were told that we may have to attend a short training at I.M.A. Dehradun or O.T.A. Madras during our summer vacation. After graduation we may be called for final S.S.B Interview. Surprisingly I am chosen for training at Indian Military Academy Dehradun. If I pass this stage successfully I may have better prospects. I also request my fellow students to have a try at it. Since our Army faces 12,000 officers shortage, selection would be rather simple.

This article may create either an R.D.-Phobia-Fear of R.D. Camp (or) an R.D.-Mania-Craze for R.D. Camp. But I learnt that "Success is Sweet.....

Secret of Success is SWEAT!!"

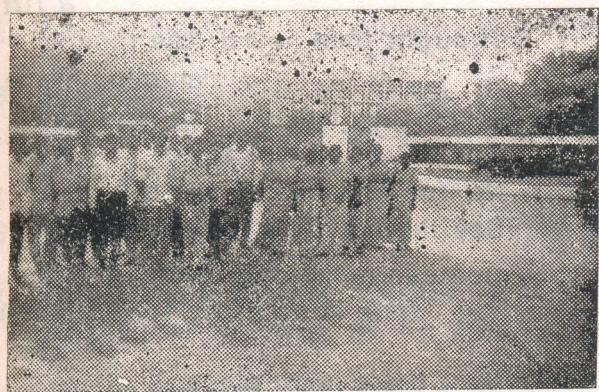

A Memorable day

P Raghavendran

III B Sc. Chemistry

On February 13, 1997 all the students of our class (III B Sc. chemistry) went to Dharani Sugars near Vasudevanallur. As preplanned all the students gathered at Tenkasi at 8-30 a.m. and from there went to Dharani Sugars along with our Professors Sri S Ponnusamy and Sri. S. Selvaraj.

It was a wonderful sight to see the production of Sugar with the help of sophisticated machinaries.

Sugarcanes are first weighed and then put into endless belts where they undergo dry crushing. The crushed juice is collected in containers where the molasses

are used for steam boiling and for the preparation of alcohol.

The juice collected in big containers are steam boiled and evaporated. Calcium oxide (quick lime) is added for defecation of juice. The impurities are removed by adding sulphur dioxide and now the pure sugar juice is recrystallized to form sugar Crystals. Then they are filled in bags; weighed and sent for sales.

A demonstrator explained each process to us in a easy way. It was a happy and interesting experience to learn the things practically.

Meanwhile all the tour party went to Thalanai falls and had a good meal. With heart filled with happiness and the reluctance to disperse we returned home.

Sri Paramakalyani College, Alwarkurichi.

Annual Report 1996-1997

The College reopened on 19-06-96 after the summer vacation for all classes except first year post graduate Classes.

The First year P G Classes were started on 26-08-96 due to the late publication of the results of undergraduate courses by the Manonmaniam Sundaranar University and as a consequence admissions were made late. The college opted for day order system with five working days a week and 90 working days a semester. The college was able to function for the required number of contact days, besides minor disturbances.

Admissions :

As usual the number of applications far exceeded the number of seats in various UG and PG courses. Special permission was therefore obtained from the university to make additional admissions to various UG and PG courses. The permission was granted for the year

Admissions to various courses were strictly made in accordance with the G. O. on communal reservations. There was a depletion of strength later, as students admitted in the first year left the college to join various professional courses and polytechnics. The vacancies that arose after the last date for admission could not be filled up. The total strength of the college now is 780.

We have the evening college courses for B. Sc. Physics and B.Com. The strength of B Sc., is 60 and the strength in B. Com. is 92.

Staff :

Tamil Department : No Change

English Department : No Change

Mathematics Department : No Change

Physics Department : No Change

I am glad to inform you that Dr. P. Ramanathan, M. Sc Ph D, Selection Grade Lecturer in Physics of our college has been given Extension by Manonmaniam Sundaranar University, for one more year as Registrar.

There is no change in staff position of Chemistry and Biology Departments,

Commerce Department : No Change.

Non-Teaching Staff : Thiru C. Subramanian, Junior Assistant retired on superannuation on the afternoon of 28-02-97.

National Cadet Corps: The present strength is 90. Our cadets participated in many camps S. Vijaya Babu, of Second Year B. Sc., Mathematics Major brought Laurels to our institution by participating in Republic day parade at Delhi on 26-01-1997.

Physical Education : Our boys took keen interest and took part in all sports and games conducted by the Manonmaniam Sundaranar University. They have excelled and made a mark in games like Ball Badminton, Cricket, Kabadi and in Athletics. For the seventh consecutive year the Manonmaniam Sundaranar University Ball Badminton team was represented by our students. The credit was brought to us by our student M. Lakshminarayana-Moorthy of II M Sc, Chemistry and Ramesh Kannan of third year B Sc., Zoology Major.

National Service Scheme : There are two units of N S S in our college with Dr. L. M. Narayanan incharge of Unit 19 and Mr. A. Sisubalan is incharge of Unit 18. The total strength of two units is 200.

Faculty Improvement Programme : Mr. P Manickam M.Com, M.Phil. was deputed for one year Ph. D at Madurai Kamaraj University and was relieved on the afternoon of 22-12-95. Mr. S Francis was appointed as substitute in the place of Mr. P. Manickam with effect from 26-12-95. Mr. P Manickam joined after completion of one year Ph. D programme at Madurai Kamaraj University on 20-12-1996.

College Union : The staff council decided to abolish the College Union Election and instead of that the top rankers from various departments were appointed as class representatives.

University Grants Commission : The University Grants Commission sanctioned Rs. 7,00,000 (Seven Lakhs) for the vocationalisation at the First degree level. we now offer Industrial Microbiology as an optional subject for B. Sc Zoology Major students. The strength in this course is 24.

Mr. G Alagumuthu; M. Sc, M. Phil., Senior Scale Lecturer in Chemistry has been sanctioned Rs 25,000/- (Rupees twenty five thousand) for Minor research project

We strive hard to maintain cent percent efficiency and cent percent character, the wish of our founder.

We offer our humble prayer to Lord Siva Sallapathy and Goddess Paramakalyani for the grace received,

Academic Prize Winners 1995—96

Sports Annual Report 1996-97

Respected Chief Guest, Beloved Principal, dear colleague, and my dear students.

Here is a short report about our sport activities and achievements for the academic year 1996-97.

The following for the Games Committee

1)	Prof. C. R Natarajan	President
2)	V. Perumal (Director of Physical Education)	Secretary
3)	Prof. S. Chelladurai	Member
4)	Dr G. Devarajan	"
5)	Prof. M. Sundaram	"
6)	Prof. S. Kalayanaraman	"
7)	Prof R. Gowrisankar	"
8)	Prof C. Raju	"

During the first semester, our boys participated actively in the M. S. University, Inter Collegiate Tournaments in Athletics, Ball Badminton, Cricket, Table Tennis, Chess and Kabaddi.

The speciality of this year sport activities was that our Principal was selected as Chairman and the Director of Physical Education as Convener for conducting M S University 'B' Zone Sports & Tournaments.

For the first time our College conducted the 'B' Zone Athletic Meet in our College on a standard track.

I am glad to report that our College, represented the M S. University Ball Badminton team for the 7th consecutive year. This credit is brought to us by P. Balasubramanian of I B.Sc.

I am also glad that our College Ball Badminton team won runners spot in the M.S. University Ball Badminton Tournament held at St. Xaviers College of Education Palayamkottai

We started our intramural matches in February, and finished them at the end of March. Our students took part in large number in the intramural Tournaments. All the students of our college were grouped on the basis of the year. The leaders were:-

BOYS

1st Year	—	T. Ganesh Babu, I B Sc.
2nd Year	—	M. Jawahar Ponnudurai, II B.Sc.
3rd Year	—	S. Subbiah, III B.Sc.
M Sc	—	F. Asok Jeyakumar

GIRLS

2nd and 3rd Year	—	A. Sangeetha, III B Sc.
1st Year U.G. & M Sc	—	K. Jeyamalar

I thank Prof. Iyamperumal Principal, Sri Sattanatha Karayalar College for presiding and distributing the prizes.

I express, my sincere thanks to the Management, The Secretary the Principal, the staff members, and the sports committee members for their kind co-operation advice and encouragement.

Finally I thank the students and the House Captains who participated in the events with the fullest co-operation

Director of Physical Education

Sri Paramakalyani College Alwarkurichi

N S S Unit Nos 18 and 19

ANNUAL REPORT FOR THE YEAR - 1996 - 1997

A Activities Outside the Campus

I 10-Day Special Camp :

The N S S UNIT No.19 has organised a 10-Day Child Labour Apolition Awareness Research Camp from 05-07-96 to 14-07-96 at Valliammal-puram. A team of 45 volunteers consisting of 33 girls, 3 local girls, 2 social workers and 7 camp officers stayed in Thirumurugan High School for ten days and served in Valliammalpuram and surrounding villages via, Vadimalai patty, Pandarakulam, Kavoor and A.P Nadanoor of Kadayam Panchayat Union.

It is found out that female child labourers (112) are 17 times higher than male child labourers. This reveals the exploitation of the female children in a worse manner in the chosen villages.

Other findings

1. The prevalence of child labour is highest in the age-group 11 - 14 years
2. Poverty, unwillingness to study, lack of transport and irregular/immoral behaviour of parents are some of the causes of Child Labour
3. Beedi Rolling is the dominant child labour.

Outcome

The N S S volunteers have readmitted 11 drop outs in their respective schools by arranging finance from Lion's Club, Kadayam and local voluntary organisation.

II Biomass Assessment Study Under National Programme

The N S S students conducted a survey on Biomass assessment in collaboration with the school of Energy Sciences, Madurai Kamaraj University in an around Alwarkurichi covering 24 villages.

III National Polio Immunisation

Our NSS volunteers assisted the staff of Primary Health Centre Kadayam and Alankulam in the National pulse and Polio, Immunisation programme on 18-01-'97. 211 Children including 73 mobile population got immunized. Our NSS volunteers the students of Gandhi Primary School and Chatram Bharathi Girls High School played a dominant roll by organising common programme. Human Chain with the public on 18-01-97 at Kelaiya pillaiyoor.

B Activities Inside the Campus

a. International Women's Day Celebration

International Women's Day Celebration was observed from 8-03-97 to 10-03-'97. Group discussion and Patty Mandabam were organised

b. Consumer Protection Awareness Meeting

NSS Unit No 18 has organised a special Consumer Protection Awareness meeting on 04-04-97

c. Exhibition on "Alcoholism, Drug Addiction and AIDS Awareness"

Our NSS Volunteers have prepared about 80 exhibits in the form of posters and models on the theme "Alcoholism, Drug Addiction and AIDS Awareness"

d. Other Regular activities

Campus cleaning, assisting the college function in seating arrangement sweat distribution etc are other regular acrivities.

Let me conclude that under the valuable guidance of our secretary Prof K. H. NARAYANAN, our Principal and staff, we are getting trained to the motto of NSS.

'NOT ME BUT YOU'

A. SISUBALAN
